

PHILABUNDANCE

Driving hunger from our communities

Coin Drive Coordinator's Instructions

- You should have a large jar or jug in which to collect pennies, and other change.
 - Two or three liter soda bottles work nicely with the top cut off.
 - Some folks use empty coffee cans with a slit in the lid.
 - Just make sure that the container you use is strong enough to hold change, and light enough to lift when full.

- Announce your Coin Drive any way you can.
 - We have created a flyer you can complete with the date, time and place of your Drive
 - You can also use our general overview information about Philabundance

- Feel free to make as many copies of these materials as needed.

- We suggest that you keep coin jugs or jars in a secure place when not in use.

- When you complete your Coin Drive, we ask that you have the change counted and changed to a more manageable form.
 - We accept checks and money orders made out to "Philabundance"
 - Please mail them to
